Dear Shareholder,

Retractions

The February 2022 retraction period has ended and we wish to thank the shareholders for taking care to follow the instructions for exercising and delivering retraction notices. CareVest Senior Mortgage Investment Corporation and CareVest Mortgage Investment Corporation (the "MICs") are processing retraction requests. We expect this process to be complete by mid-March.

Although we have yet to reach a final count, we can confirm that, in accordance with the Class A Share terms, the MICs have received retraction requests that are sufficient to fill the monthly 1% retraction limits for 2022. As the number of shares tendered for retraction exceeds the monthly 1% limit, the MICs will retract such shares tendered for retraction on a pro rata basis. Retracting shareholders/investors may refer to their monthly Carecana Management Corp. ("Carecana") statement and or Retraction Confirmation to track their retraction payments.

As the 2022 retraction limits have been filled, **no further retraction notices will be accepted for retraction by the MICs for the balance of 2022.** The next scheduled opportunity to submit a retraction request for holders of Class A Shares of the MICs will be in February 2023. Retraction notices for shares which are not retracted during 2022 may be submitted at that time.

The monthly and annual retraction limitations, which are in line with limitations implemented by many other industry members, are designed to allow the MIC to continue operations for the benefit of shareholders as a whole. In particular they prevent the need to liquidate longer term mortgage assets at potentially reduced prices to meet short term retraction requests beyond certain levels, as such an imbalance is not in the economic interests of shareholders as a whole. The limitations are working as contemplated and will allow operations of the MIC to continue to function for the benefit of all shareholders.

Shareholders who included an e-mail address on their retraction request form will be notified as soon as we have finished processing all of the validly delivered and accepted requests. For investor related inquiries please contact Carecana Investors Relations by phone at 1-855-278-3611 or e-mail investor@carecanacorp.com.

Yours truly,

Carecana Management Corp.
